## Arts for All

As part of the annual Ten Best Days of Summer, Festival Napa Valley raised a record-setting \$2.6 million at its Arts for All Gala, which took place at HALL Napa Valley. Proceeds from the event provide free and affordable access to Festival concerts, arts education programs for thousands of public school children, and scholarships for emerging musicians. "Thanks to the spirited generosity of the donors and sponsors who supported the Arts for All Gala, Festival Napa Valley is having a profound impact in improving the quality of life in our beloved Napa Valley," notes Leslie Frank, Festival Board Member and co-chair, along with her husband Rich Frank, of the Arts for All Gala. "We are providing funding for public school arts education, and ensuring concerts are accessible by offering free and affordable programs that everyone in our community can enjoy." The top bid of the night was a whopping \$420,000 to attend an intimate private concert at The Napa Valley Reserve by 19-time Grammy Award-winner Tony Bennett.
